STRACH vs LÁSKA
ĎALŠIA ÚROVEŇ MATRIXU

1. TRIEDA REALITY

2. OS VOĽBY

Svet často nevyzerá ako dobro proti zlu.
Častejšie vyzerá ako strach proti láske.

3. TEMNÉ VÄZENIE

Strach zužuje priestor vedomia.
Mení nekonečno na chodbu.

4. HRA BEZ KONCA

Keď vládne strach, človek zostáva v hre.
Hrá, opakuje, reaguje... ale naozaj nevidí.

5. OKULIARE POZNANIA

Láska neznamená slepú naivitu.
Láska znamená odvahu vidieť.

6. PRASKLINA V MATRIXE

Keď sa vedomie otvorí, matrix sa nemusí zrútiť. Môže sa iba stať priehľadným.

7. VOĽBA

Najťažšia nie je pravda.
Najťažšia je voľba, čo s ňou urobíš.

8. ĎALŠIA ÚROVEŇ

Sny v snoch. Príbehy v príbehoch.

FEAR vs LOVE
ANOTHER LEVEL OF THE MATRIX

1. THE CLASSROOM OF REALITY

2. THE AXIS OF CHOICE

Reality often does not look like good versus evil.
More often, it looks like fear versus love.

3. THE DARK PRISON

Fear narrows the space of consciousness.
It turns infinity into a corridor.

4. THE ENDLESS GAME

When fear rules, a person remains inside the game. Playing, repeating, reacting...
but never truly seeing.

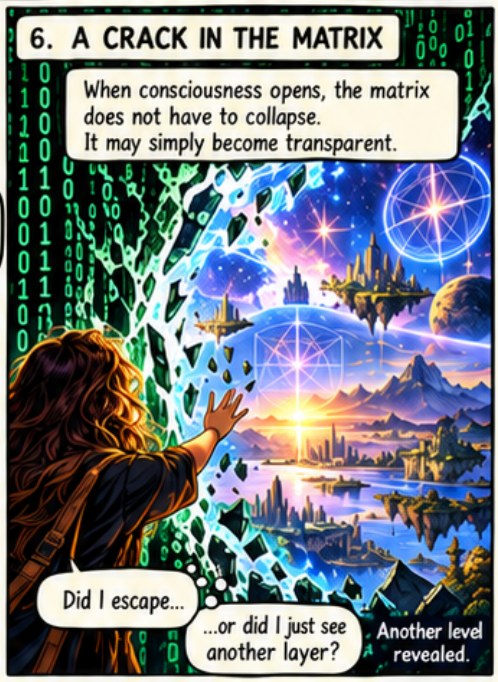

5. THE GLASSES OF KNOWING

Love does not mean blind naivety.
Love means the courage to see.

6. A CRACK IN THE MATRIX

When consciousness opens, the matrix does not have to collapse.
It may simply become transparent.

7. THE CHOICE

The hardest thing is not truth.
The hardest thing is what you choose to do with it.

8. ANOTHER LEVEL

Dreams within dreams. Stories within stories.
