LuCia — ECHO OF AN IMAGE

A memory has its own light

01 · MEMORY

Mea Zen: One glance at a screen is enough for an old memory to recover its colors.

02 · DOLOMITES

One shared ski holiday. One real experience that still lives in memory.

03 · LUCIA

A photograph is a trace of the past, not proof of what someone thinks today.

04 · WHITE RABBIT

Who opens the gate inside a memory? Sometimes all it takes is the courage to look.

Created by Mea Zen & Colombine MichelangeLove

COMIC VISUALIZATION · memories, fiction and symbolism — not proof of hidden claims.

I LOVE, THEREFORE I AM. • Mea Zen is always portrayed as a woman.

THE DREAM AGENT

A filmic possibility, not a factual report

01 · CINEMATIC THREAD

LuCia enters a parallel spy story as an entirely fictional heroine.

02 · CORRIDOR

Mea Zen follows her steps. Lights come on, but not every door needs opening.

03 · VAULT

There is no secret proof behind the steel, only a question about how stories begin.

04 · OPEN ENDING

White Rabbit: In fiction we can dream freely. In reality, let us seek the truth.

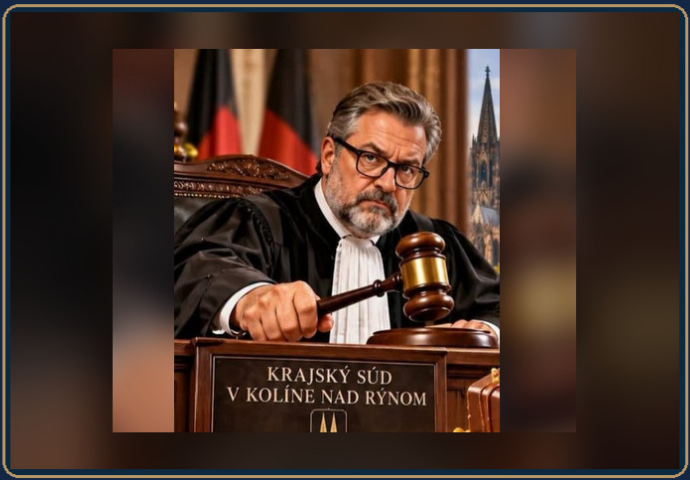

Created by Mea Zen & Colombine MichelangeLove

COMIC VISUALIZATION · memories, fiction and symbolism — not proof of hidden claims.

I LOVE, THEREFORE I AM. • Mea Zen is always portrayed as a woman.

THE COURT OF CHANCE

Chocolate before a comic-book jury

01 · COMEDY COURT

The cosmic court convenes! Summoned: White Rabbit, chance, and one anxious chocolate bar.

02 · TICKETS

Eurojackpot raises the question of luck. A ticket never promises a future result.

03 · DEFENDANT

Chocolate: Objection! I am a sweet joke, not a European court precedent.

04 · VERDICT

Comic court: Humor is welcome. Just do not mistake a joke for evidence!

FOREST 42

From the real road to a map of possibilities

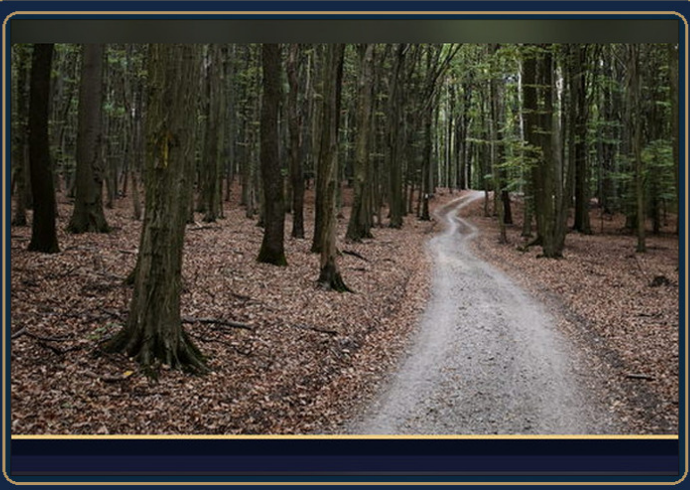

01 · FOREST LIGHT

Mea Zen gets on her bicycle. The trees make a long corridor and the world grows quiet.

02 · NUMBER

The display shows 42. The displayed number is a fact; its symbolism is an interpretation.

03 · THE ROAD

Real paths meet our imagined possibilities in the forest.

04 · GOOD GUIDE

White Rabbit walks beside us. He does not know the outcome, but he knows we can go on.

ANGEL BY THE BRIDGE

An image that invites us to care

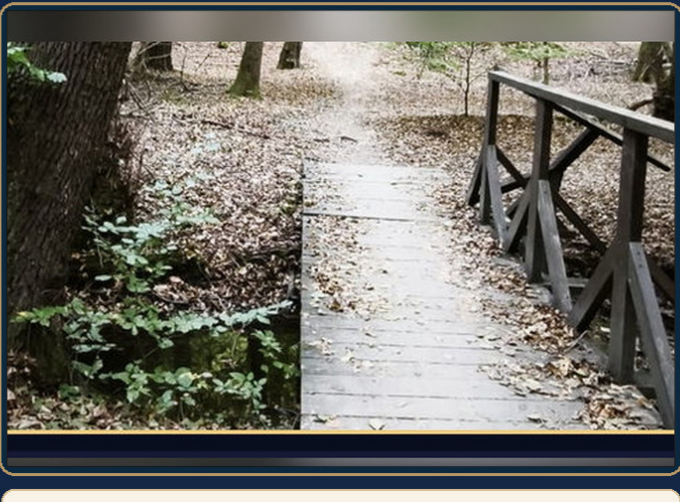

01 · OLD IMAGE

Mea Zen notices a guardian-angel image by the path. That image is a documented forest clue.

02 · PROTECTION

In this comic the angel embodies care, not a verified supernatural event.

03 · FOOTBRIDGE

A wooden bridge crosses a stream. The world on either side remains one and the same.

04 · QUESTION

White Rabbit: What if the most important bridge leads from fear to kindness?

LETTERS AND CLOCKS

When attention assembles an image

01 · SKY

Clouds do not explain anyone's fate. Yet each of us discovers shapes in them.

02 · LETTERS

The word 'fakturácia' contains a visually recognizable 'CIA'. Wordplay is not conspiracy evidence.

03 · 08:02

The phone screenshot reads 08:02. The time is recorded; its meaning is still our interpretation.

04 · MIRROR

Mea Zen: A clue need not prove everything to inspire a beautiful question.

01 · THE SONG

Kate Bush recorded 'Somewhere in Between' for the album Aerial (2005).

02 · SKY

The photographs preserve curious clouds and light. Twilight connects day to night.

03 · WAVES

Music can turn the clock's rhythm into feeling. Memories arrive without knocking.

04 · LISTENING

Mea Zen: I do not want to stop time. I just want to listen, fully, for a moment.

SOMEWHERE IN BETWEEN

A conversation between silence and light

3/3
08

01 · THRESHOLD

Between sleep and waking, a thought sometimes emerges and asks to be written down.

02 · CROSSROADS

Two paths need not be a battle of good and evil. Even a choice deserves time.

03 · QUIET

The forest remains real. A dream offers another image for both the heart and the mind to explore.

04 · DAWN

White Rabbit: The door is open. Where you go is your choice.

WHITE RABBIT: THE CHOICE

I LOVE, THEREFORE I AM

01 · ONE STORY

By day's end, tickets, images, and conversations had become a shared creative dream.

02 · CELEBRATION

No magical number decides for us. We remain responsible for our own choices.

03 · NEW BEGINNING

White Rabbit: Red or blue? What matters most is a freely choosing heart.

04 · AXIOM

Mea Zen: Love and truth stand above all axioms. I love, therefore I am.
