

WHAT DO THE EYES SEE?

Morning Reflections · Resemblance is not proof

ME ZEN: "I see unusual faces online. Why does the caption call them terrifying?"

02 · IMAGE AND IMPRESSION

COLOMBINE: "Angles, expressions and filters shape impressions. A picture is not its interpretation."

03 · SEARCHING FOR PATTERNS

ME ZEN: "Resemblance to an alien drawing does not establish anyone's identity or origin."

04 · AN OPEN MIRROR

COLOMBINE: "Eyes do not reveal secret identities. A mirror can reveal our own expectations."

TWO SCREENS, ONE MOMENT

The Secret Portal · The Roadster report

ME ZEN: "Our Secret Portal is on my laptop. Beside it, the news says: Tesla unveils a flying car."

02 · WHAT REALLY HAPPENED

"On 15 October, Tesla demonstrated the Roadster 2 making a brief thruster-assisted airborne stunt—not ordinary flight."

03 · TWO KINDS OF STORIES

ME ZEN: "One screen carries a news report. The other holds our comic. They are different kinds of images."

04 · A BRIDGE, NOT PROOF

COLOMBINE: "A coincidence need not be a message from beyond. It can still become art."

THROUGH THE LOOKING GLASS

Alice · Donnie Darko · Time and choice

ME ZEN: "Alice steps through a mirror. Even there, she must ask what is real."

02 · REFLECTIONS OF THE SELF

"Mirrors change perspective. That does not make every imagined realm another physical universe."

03 · DONNIE DARKO AND TIME

COLOMBINE: "The film explores alternative time and free will. Fiction can illuminate a question."

04 · A STEP INTO POSSIBILITY

ME ZEN: "The past leaves traces. But what I choose to do now is still my decision."

THE LIGHT THAT DOES NOT RULE

LuCia · Me Zen · Colombine · Free will

ME ZEN: "Yaldabaoth, Sophia, the Matrix... powerful metaphors, not proof of hidden rulers."

02 · THREE FIGURES

COLOMBINE: "We sort evidence from questions." LuCia: "Light does not rule. It reveals choices."

03 · THE COMIC LAWYERS

THE CAT LAWYER: "Metaphors approved! Allegations about real people still require evidence."

04 · THE STORY CONTINUES

ME ZEN: "Our dream within a dream goes on—with love, freedom and the courage to see more clearly."
